## 8 DAY SAFARI WITH ZANZIBAR EXTENSION

8 days / 7 nights

Start - Arusha (Day 1)

1. Day 1 - Lake Manyara National Park

2. Day 2-3 - Serengeti National Park

3. Day 4-5 - Ngorongoro Crater

End - Zanzibar (Beach) (Day 6-8)

This is one of our most popular tours as it allows you to spend a very reasonable amount of time in the Serengeti (2 nights) and still have the chance of exploring Ngorongoro and Manyara or Tarangire National Parks.

*You can either do the tour by land (circle itinerary) or fly back from the Serengeti to remove the backtracking. You can relax and stay 3 days in Zanzibar Island, enjoying the beaches and amazing landscapes.*

## LAKE MANYARA NATIONAL PARK

**Feel free to replace this day with a visit to Tarangire National park instead (or add an extra day and visit both)**

**SOME UNIQUE FACTS ABOUT THIS PARK INCLUDE THE TREE CLIMBING LIONS, FLAMINGOS IN THE LAKE SHORE, AS WELL AS THE GROUND HORNBILL AND THE CRESTED EAGLE.**

Pickup from your hotel at 8am and start a beautiful journey across the Great Rift Valley until Lake Manyara National Park for a full day game drive. Although small in dimension (205 sq. miles), the park has breathtaking scenery and well famous for its lush acacia forest, giant figs and mahogany trees, as well as to a growing population of baboons and blue monkeys. Permanent residents of this park also include giraffes, elephants, impalas and a huge amount of buffaloes. The lake is also home to a large number of hippos. Some unique facts about this park include the tree climbing lions, flamingos in the lake shore, as well as the Ground Hornbill and the Crested Eagle. The landscapes of Lake Manyara are something that can not be described with words, and the game drives along the lake provide stunning photo opportunities of giraffes and buffaloes in the foreground and the lake (and its flamingos) in the background. During this day, some extra tours are possible, including a bike tour or a boat excursion. In the afternoon, transfer to the camp for dinner.

## SERENGETI NATIONAL PARK

**After a long but spectacular journey, you will arrive in the park in time for a fantastic afternoon game drive**

After an early breakfast, depart towards the most famous national park in the world, the Serengeti. The drive itself, although long, is spectacular. This will be an unforgettable moment for anyone seeing it for the first time. As you progress well into the Serengeti, you will see why the name means, in local language, "endless plains". The park has 6,900 sq miles (18,000 sq km) and for most of it, the plains will stretch to the horizon defying your senses and perception of distances. It is the home of the great migration and to 2 million wildebeests, hundreds of thousands of zebras and all kinds of antelopes. As for big cats and large predators, it's the place of choice to look out for lions, cheetahs, leopards, hyenas, with many television scenes like the famous River Crossings having been filmed in this park.

DAY

## SERENGETI NATIONAL PARK

**Extra tour recommended: The wonderful balloon flight over the Serengeti plains.**

You will have a full day in the Serengeti National Park. We are completely flexible with your preferences and this day will be organized according to your wishes. On every day of the safari, your guide will discuss with you the best timings for you, including the game drives and the wake up time. For example, on this day, you could do a morning game drive, return to the camp for lunch and relaxation and finish with an afternoon game drive. Alternatively, you could do a full day game drive with picnic lunch.

DAY

## SERENGETI NATIONAL PARK TO NGORONGORO CRATER

Possibility for an afternoon walking safari in Ngorongoro highlands.

On this day we suggest a very early wake up in order to do an early morning game drive (when the animals are more active) and see one of the best sunrises you'll ever witness. It's really one of the most beautiful experiences to have. After the game drive, we return to the camp for a rewarding brunch and then we'll proceed to Ngorongoro, the 8th wonder of the Natural World. The crater spreads for 102 sq. miles and has 2.000 ft high walls, making it virtually a Noah's ark and inhabiting almost every species of wildlife that is indigenous to East Africa. It's one of the very rare locations in the whole continent where you can witness the black Rhino. The concentration of African wildlife is the greatest in the continent. The crater has a river, several swamps, a soda lake with a great concentration of flamingos, a forest and open plains. It's also famous for its elephants which are the largest in the world and have huge tusks. This is due to the rich mineral content of the volcanic soil and its grasses. Ngorongoro Crater is truly a Wonder of the Natural World.

You will reach Ngorongoro in time for a sundowner.

DAY

## NGORONGORO CRATER TO ZANZIBAR

**Today you will do a game drive in one of the Wonders of the Natural World.**

After the game drive, there will be time for a picnic lunch near the beautiful hippo Lake. After lunch, we will have time for a short game drive and then ascend the crater and exit Ngorongoro Conservation. Then transfer to the airport and you will have a flight to Zanzibar around 4 pm for three days of relaxation with amazing views.
