## BEST OF BOTSWANA & VICTORIA FALLS

9 days / 8 nights

1. Victoria Falls
2. Chobe National Park
3. Okavango Delta / Khwai
4. Okavango Delta
5. Maun

This itinerary covers the very best highlights of Botswana and allows you with a chance to visit the mighty Victoria Falls. Two different areas of the Okavango Delta and the Chobe National Park gives you an incredible wildlife safari.

Experience the true African bush and the sheer magnificence of Victoria Falls. With 2 night stays at each place to give you 1 full day at each destination to explore and enjoy activities, this is the ultimate safari to see it all in just over a week.

DAY

01&02

VICTORIA FALLS

Upon arrival, you'll be transferred from Victoria Falls Airport to your lodge in town. Visit to Victoria Falls this afternoon (if time allows), either on your own or arrange to go with a guide. We recommended taking a sunset Zambezi boat cruise to end the day (optional extra) or to dine at The Boma Restaurant for a taste of the African flavours, action, music and atmosphere.

One full day is set aside to enjoy any of the many activities on offer.

Overnight at Ilala Lodge (Bed & Breakfast)

DAY

03&04

CHOBE NATIONAL PARK

After breakfast, and a last morning activity in Victoria Falls (if time allows), you will be collected from the lodge and transferred across the border into Botswana. Your driver will assist with the border crossing which is an experience in itself. Check in at the lodge and enjoy your activities as included (game drives, boating, canoeing (seasonal and water level dependent) & village visit).

A chance to see large herds of elephants from up close and plenty other wildlife from an open safari vehicle and the river. This property is located near the Ngoma Gate for entry to the Chobe Riverfront. Very few lodges are located on this end of the park and few people utilize this entry point, creating a more remote and exclusive experience than at the properties around Kasane. Although outside the park, this option is located in a bush setting where wildlife frequently passes through.

Overnight at Chobe Elephant Camp (fully inclusive of meals and activities)

DAY

05&06

OKAVANGO DELTA / KHWAI AREA

After a morning activity (if time allows) you will be transferred to Kasane Airport where you then meet with your pilot for your light aircraft transfer to the Khwai area.

Enjoy the scheduled activities with your lodge guide: day & night game drives and mokoro (seasonal and water level dependent).

Overnight at Pom Pom (fully inclusive of meals and activities)

DAY

07&08

OKAVANGO DELTA

After a morning spent at leisure or doing an activity as scheduled, you will be transferred to the airstrip for your onward flight to your next camp in the Okavango Delta. Enjoy the scheduled activities with your lodge guide as included (mokoro excursions, boating (subject to water level) & walking (subject to guide availability)).

Pelo Camp is set in one of the best areas to see the rare sitatunga and red lechwe antelopes. Wildlife concentrations in this part of the Okavango Delta depend on the water flow and change from season to season. Birdlife in abundance.

Overnight at Rra Dinare Camp (fully inclusive of meals and activities)

DAY

09

MAUN

After a morning activity (if time allows) you will be transferred to the airstrip and then board for your light aircraft transfer to Maun Airport where your tour ends.
