Cape Town & Kruger National Park Safari

6 days / 5 nights

## CAPE TOWN & KRUGER NATIONAL PARK SAFARI

6 days / 5 nights

1. Cape Town
2. Manyeleti Private Game Reserve

Cape Town and the Kruger. What a veritable little feast this 6 day jaunt will be. Three days in South Africa's oldest city and two in its greatest national park. The yin and yang of holiday options. Chic and wild. Cultured and raw. Rich and rich. In different ways. The seemingly opposite actually complement, interconnect. The ideal trip if you can't decide. Include them both and you get the best of both worlds wrapped into one.

DAY

01 - 03

CAPE TOWN

Arrive at Cape Town Airport where you will be met by your driver. Have a safe transfer to your accommodation.

Enjoy all the highlights of Cape Town including the V&A Waterfront, Robben Island, the historical inner city with the Company Gardens, Table Mountain, SA Museum and Bo-Kaap, Kirstenbosch Botanical Gardens, Cape Peninsula with Chapmans Peak, Cape Point and the penguin colony at Boulders Beach.

You can also enjoy some special activities that Cape Town has to offer such as a Cape Malay cooking course, Cape Town city walking tour, Table Mountain hike, canopy tour, sea kayaking or a sidecar tour. These are optional extras but we can gladly include these in your itinerary at your request (additional).

Explore Cape Town on your own with the red hop-on-hop-off busses or let us organize a professional guide to take you around.

Overnight at Cape Grace, A Fairmont Managed Hotel.

DAY

04 - 05

## MANYELETI PRIVATE GAME RESERVE

Transfer to Cape Town Airport where you board a direct flight to Kruger National Park (own arrangement).

On arrival at Hoedspruit Airport you are met by the ranger of your lodge and enjoy a short transfer to the accommodation.

This afternoon you join your first safari in this Big 5 wildlife reserve. Every morning and evening, guests are taken on a game drive.

The night drives allow guests the opportunity to see the nocturnal animals not encountered during the day. Your chances of seeing leopard in particular are a lot higher at night and with a bit of luck you might even encounter the predators such as lion and leopard hunting. During the night drives, your tracker uses a powerful spotlight to search for nocturnal animals.

Meal times will be a highlight on your safari stay. Enjoy hearty brunches, al fresco lunches and social dinners with lovely cuisine. End your day with a drink around the camp fire under the African starlit sky.

Overnight at Tintswalo Safari Lodge.

DAY

06

## MANYELETI PRIVATE GAME RESERVE

After a last morning game drive followed by a lovely breakfast, your ranger will drive you back to Hoedspruit Airport. Board your flight to Johannesburg or Cape Town (own arrangement).

End of services.
